All claims that are received in U.S. funds will be adjusted in Canadian funds with no exchange (example: \$500.00 US = \$500.00 CDN). This is due to the fact that policy premiums are calculated based on Canadian veterinary fees and are paid with Canadian dollars.

IV. POLICY ADMINISTRATION

Co-Insurance & Deductible: You are required to participate in the cost of Your claims by paying any applicable Co-Insurance and Deductible. Co-Insurance is applied first, then a Deductible.

Age-Based Deductible Adjustments: A Deductible adjustment will apply to Your Policy as Your Pet ages to reflect the substantial increases in health care costs of aging Pets. Your premiums will not increase due to Your Pet's age. Your Deductible will be automatically increased on the Policy anniversary following Your Pet's birthday, as shown in the Deductible Table below.

Annual Deductible Table for <i>Secure 1, 2 and 3</i>			
Pet's Age	Option A	Option B	Option C
Dog Cat (Up to 5 years)	\$100	\$300	\$500
Dog Cat (5 - 10 years)	\$300	\$500	\$700
Dog Cat (10 + years)	\$500	\$700	\$900

Note: All claims combined per year

Annual Deductible Table for <i>Secure 4</i>			
Pet's Age	Option A	Option B	Option C
Dog Cat (Up to 5 years)	\$250	\$400	\$500
Dog Cat (5 - 10 years)	\$400	\$550	\$700
Dog Cat (10 + years)	\$500	\$700	\$900

Note: All claims combined per year

Applications for Older Pets: If You apply for new Coverage for a Pet dog that has reached its 8th birthday or a Pet cat that has reached its 10th birthday, You must provide the following:

- A Complete veterinary medical history for Your Pet.
- Results of a physical examination.
- Results of a complete urinalysis.
- Results of the following blood tests: Creatinine, B.U.N., ALT, Alkaline Phosphatase, Total Protein, Albumin, Complete Blood Count and T4.

The examination and tests must be done within the two months prior to Your application. You are responsible for any costs incurred to provide these diagnostic results.

Claims Risk Management: We share with You in managing the financial risk of providing for Your Pet's health. As with other forms of insurance, Coverage and premiums are subject to individual adjustments according to the level of risk demonstrated by ongoing claims activity. To monitor this, We conduct a semi-annual analysis of all policies as part of Our claims risk management process. Results are used to identify if Your insured Pet is in the top group of Our policyholders in terms of claims frequency and costs over the past 24 months. If so, there will be an adjustment to Your Co-insurance (the percentage of the claim You are responsible for) on future claims. The maximum Co-Insurance amount that You would be responsible for on any claim is 50%.

This monitoring mechanism allows Us to protect the majority of Policyholders with normal claims experience from having to offset the extra expense of policyholders with high claims activity. This process does not increase Your premiums, and is therefore only applicable if You have future claims. Adjustments are reassessed semi-annually and You may qualify to return to Your regular level of Co-insurance.

Insurance Contract: The entire contract includes Your application for insurance, this Policy, any document attached to this Policy when issued, and any amendment to the contract agreed on in writing after the Policy is issued. No person has authority to change the contract or waive any of its provisions other than, in the case of the Insurer, a waiver is clearly expressed in writing and signed by the Insurer.

Policy Cancellation: You must make Your request for Policy cancellation in writing by mail, fax or e-mail. Cancellation will take effect when Your Policy renews on the first day of the next month following the date We receive Your request.

Policy Changes: We reserve the right to make changes to Your Policy by advising You 30 days in advance. Such changes can involve but are not limited to Premiums, Exclusions, Coverage, Co-Insurance, Deductibles and limits under this Policy. Any change to Your premium will be settled on Your account. You will be advised of any adjustments.

- You can apply for a change in Your Coverage Plan at any time. The change will take effect when Your Policy renews on the first day of the next month or on Your Policy's Annual anniversary date. This becomes the start of Your next Annual period with new Annual Deductible and Coverage amounts.
- Any Exclusions will carry over to Your new Coverage Plan.
- When increasing coverage, we may apply coverage exclusions or restrictions on conditions for which you have previously claimed. Restrictions are limited to the Maximum Amount of the lower coverage Plan for that condition.
- All changes in Plan are subject to Our prior approval.

Renewal: This Policy is continuous until cancelled. As long as We continue to receive premiums from You when due, We will renew this Policy automatically at the beginning of each month (except in Quebec).

Waiting Periods: Some Coverage is subject to a waiting period. The waiting period starts at the Policy effective date and time, and has the following durations:

- 48 hours for Accidents or Benefits claimed as a result of an Accident.
- 14 days for Illnesses or Benefits claimed as a result of an Illness, including Behavioral Therapy.
- 1 year for Dental Coverage for pets over 5 years of age on the policy effective date.

Conditions that occur during the waiting period may be excluded from Your Policy as Pre-existing or Foreseeable.

V. EXCLUSIONS

Pre-existing or Foreseeable Conditions are excluded from Coverage. This includes any Condition that starts or shows symptoms within any applicable waiting period. When referring to Exclusions or Policy limits, Bi-Lateral Conditions are considered as one Condition (examples: cruciate ligaments, ear and eye problems). If Your Policy contains an Exclusion, You may request that We review the Exclusion with the possibility of removal from the Policy. To request an Exclusion review, please contact Our office via phone, e-mail, mail or fax. Note the following:

- At the time of the review, Your Pet must be symptom free of the initial problem.
- Depending on the nature of the initial problem, the length of symptom-free time required to remove an Exclusion is a minimum of 6 months to a year.
- To complete the review, You may be asked to provide medical history from Your Veterinarian.
- Our review decision will be communicated to You in writing.

VI. CLAIMS

You are financially responsible to pay Your veterinary practice for all Veterinary Services and Treatments. We will reimburse You for eligible costs You have paid to Your Veterinarian as outlined in this document. A claim form for Veterinary Services will be provided to You. There are special claim forms required for Advertising & Reward, Boarding Kennel & Cattery Fees, Cremation or Burial Expense and Holiday Cancellation benefits. Special claim forms or additional Veterinary Services forms are available through Your Veterinarian's office, Our website (www.petsecure.com), or through Our Customer Care Centre.

To make a claim, You and Your Veterinarian simply fill in the claim form. Forward Us the form together with the itemized invoices for the costs involved. You can submit these by mail to Petsecure Pet Health Insurance, 200 - 1200 Portage Avenue, Winnipeg, MB R3G 0T5 or by fax to 1-866-322-5246.

2. We cannot guarantee Coverage of a claim over the phone. To ask about Treatment not yet performed, please contact Us for a preauthorization form. If the Treatment has been performed, please send Us a completed claim form with applicable documentation. We will then contact You with the results.

3. We will only pay claims:
 - Received by Us no later than 6 months from the date of Treatment.
 - Received by Us no later than 60 days after the date of cancellation of Your Policy.
 - For costs incurred while the Policy is in force.
4. We will not reimburse Your Veterinarian for completing any form, nor will We reimburse You for any fees Your Veterinarian may charge to complete a form.
5. If Your premium payments are not up-to-date when You make a claim, We will not process or pay Your claim.
6. If You make a false or exaggerated claim, this Policy will end and We will not make any further payments.
7. Any action or proceeding against Us for the recovery of a claim under this Policy must commence no later than two years after the date the insurance money became payable or would have become payable for a valid claim.

Occasionally, extenuating circumstances such as emergency situations or high-expense veterinary care may necessitate special claim payment arrangements. If You require special arrangements please call to notify Us, so We may advise You of other claim payment options that may be available.
