Find out why we're Canada's oldest and largest pet health insurance company:

Since 1989 we've lead the marketplace in providing Canadian pet parents with innovative coverage that meets their diverse and changing needs.

Petsecure is designed by pet parents and veterinarians. In fact, we are the #1 recommended brand of pet insurance in Canada with 8 out of 10 veterinarians recommending Petsecure. With one easy-to-understand plan that offers a range of coverage and provides every insured pet with our *Secure For Life™* Guarantee, plus the choice of preventive care.

Fast and simple claims! Our in-house claims team turns your claim around within 5 business days (on average, from the time we receive your complete claim).

There's no age limit and your premiums won't increase as a result of your pet's age.

Coverage for accidents begins within 48 hours, and illness within 14 days of enrollment. Preventive coverage on the *Secure 4* plan begins immediately.

Our goal: to ensure pets enjoy longer, fuller and healthier lives and that both your needs are...
